Precision Plastics Ltd. has been recycling oil containers in Edmonton since 1989 for most of the major oil companies. They've processed these containers into material for re-use in new oil containers. Any product not suitable for re-use in new containers is used for parking curbs, guard rail posts and variety of other products.

Over 5 full plastic recycling lines (Barrel line, Pail line, Bottle line, Pipe line, Wash line, Pelletizing lines) including the Herbold grinders, pail grinders, cutters, conveyors, extruders, augers and more.
